
HOW TO BE ROCK-N-ROLL

Rock-N-Roll is a life style not just a music genre. Here are a few tips to help you live the Rock-N-Roll life style.

BE AN INDIVIDUAL

Don't follow the crowd because it's the trendy thing to do. March to the beat of your own drum and don't be bothered by other's opinion of you.

LOVE

This is important. Love yourself and love others around you. Even in the times that it's difficult, just remember "All you need is love".

ENJOY MUSIC

This is possibly the most important element. Enjoy the music you listen to. It doesn't have to be Rock, it can be anything just ENJOY MUSIC.
